REACHING IN, REACHING OUT, REACHING GOD

Fr Jim's Jottings

What's that saying? "**What goes around, comes around.**" Well, that is going to be true for me!

In the fall of 1960, I went to St Lawrence Seminary as a Junior in high school. And that began my journey of becoming a Capuchin and a Priest.

As you know I will be leaving St Joe's on August 1st. Quite a few people have been asking where I was going from here. I really did not know for sure just where I was going to land. But a couple of weeks ago it was decided that I would move to St Lawrence Seminary in Mt Calvary. That's about 45 minutes south of us in what's referred to as the Holyland. I will live there and do help out work in nearby parishes.

Although people have been wishing me "happy retirement", I don't plan on retiring. There is such a shortage of priests that I hope to make myself available to parishes that need help.

So...I am coming back to where my vocation began. I've been a Capuchin for 59 years and a Priest for almost 51 years. I can assure you that it will be tough to leave St Joe's after eleven years, but I know that our Lord will help me to make this transition smoothly. Thanks be to God!

Non-Raffle RAFFLE

Thanks to all those who have been able to support our "Non-Raffle Raffle". A couple of weeks ago, we mailed out to every parishioner a letter explaining the "Non-Raffle Raffle". This is the twelfth year of the raffle. It has been successful and, especially, helpful in paying for our summer expenses.

Everyone who contributes is a "WINNER" by their faithfulness and generosity to St Joe's. There are no prizes or expenses. It is truly an unselfish donation for a good cause.

We invite you to offer a gift of \$35 and return it in the envelope you received with our letter. Please help in the next few weeks with your donation. Last year the parish raised over \$23,000. Thank you ahead of time for your donation.

Helpers Needed July 31st

Helpers are needed at Fr Jim's Farewell on July 31. We need set up and take down crews as well as food servers and grill runners. If you can help, sign-up sheets are in the back of Church or contact Sue Gallagher: susangallagher66@gmail.com.

Do you need a ride to Mass?

Please contact the Parish Office (734-7195) with your name and address if you're interested in being bussed to Saturday's 4:00 pm Mass. We are looking into offering this again and need a minimum of 10 riders to make the option feasible.

Flowers for altar and the Blessed Mother

Throughout summer we could use flowers to be put in front of the pulpit and altar as well as in the Marian Shrine. There are small vases in the Marian Shrine for small displays of flowers. If you have flowers for the pulpit and altar you can either bring them to the office or drop in the sacristy. Thank you!

Become a Hospitality Minister

Summer is the perfect time to join our liturgical ministries! This is a wonderful opportunity to "give back" to the parish with your time, and to meet other parishioners.

Hospitality Ministers:

- arrive 30 minutes early to Mass
- welcome people to Church and help them find seats
- guide people through communion line
- pass out music sheets and bulletins

This is a ministry for adults of all ages as well as high school students in need of service hours! Contact Marisa to sign up at mlandsverk@saintjosephparish.org or call the Parish Office at 734-7195.

Everyday Stewardship—Recognize God in your Ordinary Moments

What We Carry from Town to Town

In my experience, there are two kinds of people: the folks who kick off their shoes the second they walk through the door, and the ones who don't.

People can feel strongly about this on both sides. The main thrust of the Shoes-Off Brigade seems to be this: we track a lot of weird stuff on the soles of our feet. Little reminders of all the places we've been—whether it's a private home or a public bathroom—cling to our shoes long after we leave.

This same theory applies to our spiritual lives. As human beings and as disciples, we visit a lot of figurative towns and pick up a lot of figurative dust. Sinfulness. Shame. Defeat. Anger. Fear. Doubt. No matter how hard we try to keep free of it, these things have a way of attaching themselves to us, sometimes without us even noticing. We need to take a good look at what unhelpful and unconstructive baggage from our past we're tracking into our present and future encounters.

What is the "town" God is asking you to visit today in His name? Is it a tough conversation with a friend, a brief witness to a stranger in the checkout line, a call to be present to someone in your family? Before you go, remember, shake off the dust. Don't let a past disappointment constrain you. Don't allow yesterday's failures or burdens to keep you from the joy of today's witness, whatever form it might take. -Tracy Earl Welliver, MTS ©LPI
